

Time Well Spent

Have you ever heard the phrase, "Time is Money"?

Normally that phrase is used to say something like, "Every second we don't get something done is costing us money." Let's think of the phrase a little differently. God wants us to love Him with all our heart, soul, and mind and love our neighbor as ourselves right? **(Matthew 22:37-40)** Does how we spend the time in the day really show God that we love Him with all our heart, soul, and mind? Time is something we spend, just like money. We can show God we love Him by giving Him time out of the day. When you spend time, think of the picture below and how you can give God the time in the day. Some suggestions are to read the Bible, pray for and go help people, volunteer, help clean up, make art for God, journal, tell someone about Jesus.. etc etc.
